# COLOURING BOOK

**Have a home escape plan with two ways out of every room.**

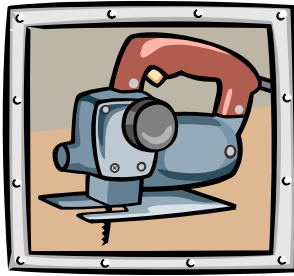

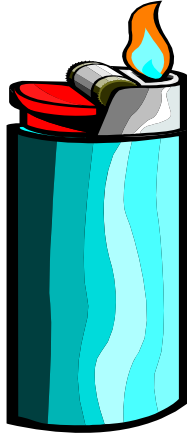

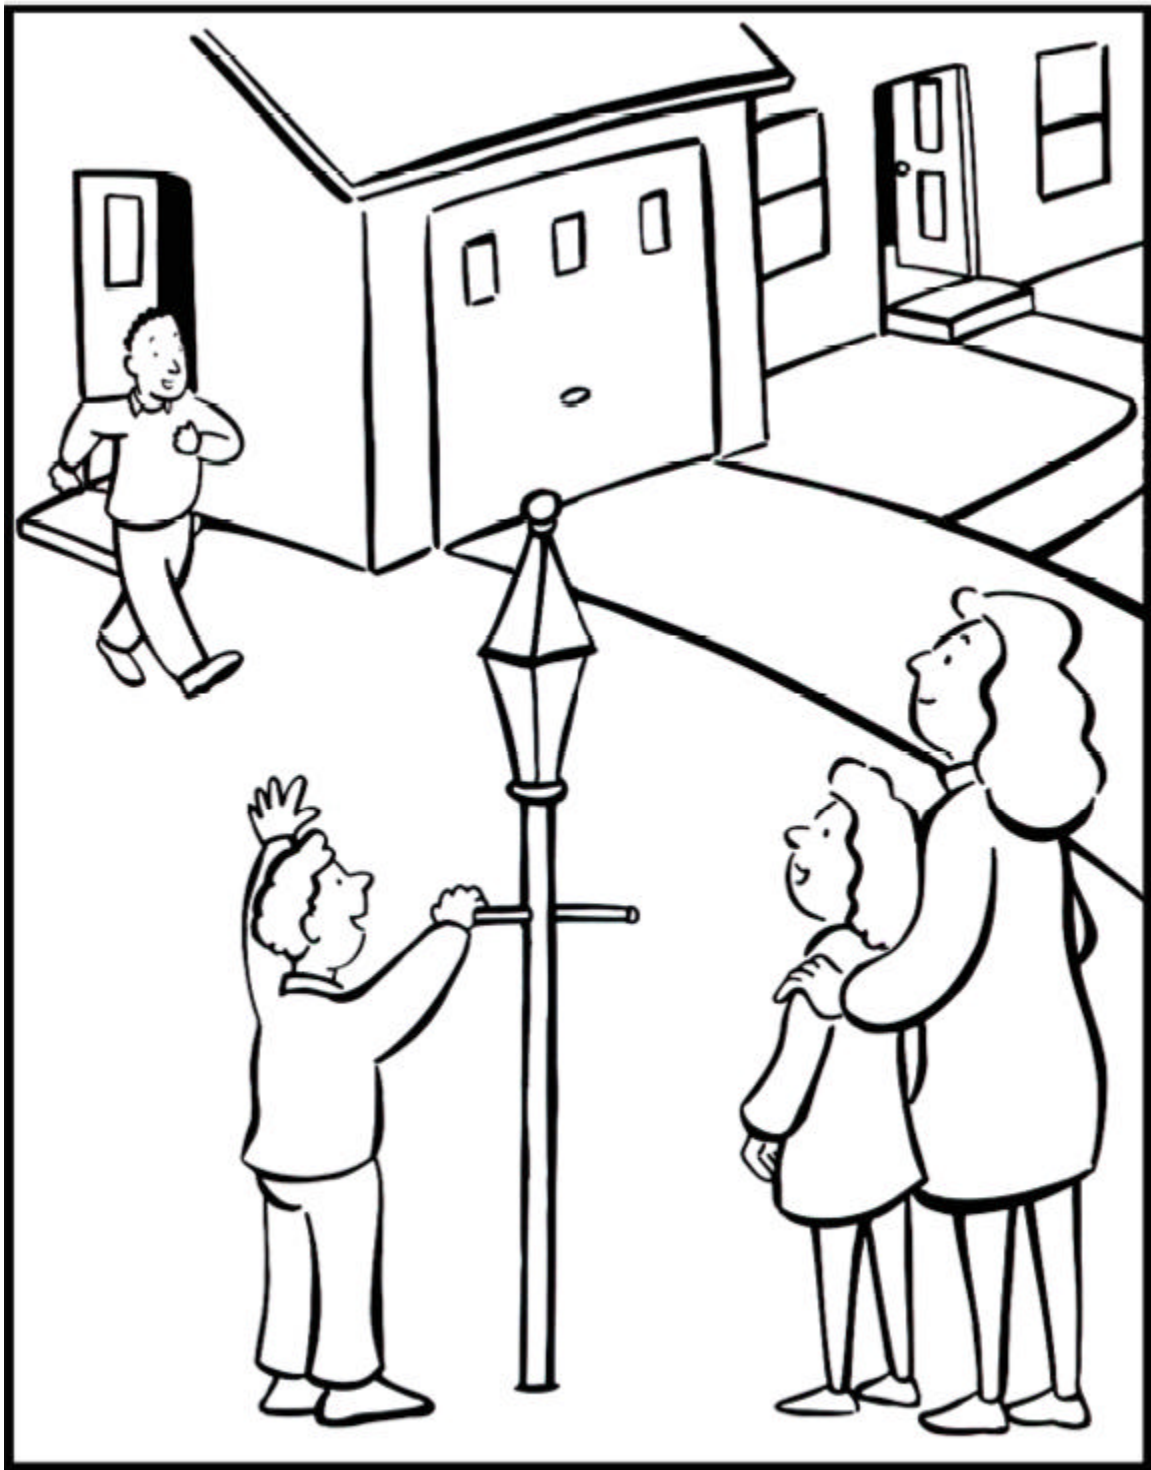

**TIP:** When your family changes the clocks in the fall, change the smoke and carbon monoxide alarm batteries too.

**CONSEIL :** Lorsque ta famille retarde les horloges à l'automne, elle devrait aussi changer les piles électriques des avertisseurs de fumée et de monoxyde de carbone.

Draw a Circle around the toy and  
put an "X" on tools for adults only.

**Plan a meeting place outside where everyone can meet far away from the fire**
